- Lessons commence in the week beginning 11\text{th} February, 2013.
- Before students begin to learn an instrument, it needs to be understood this requires a commitment of at least one term.
- A student who attends lessons on time and comes fully equipped, benefits most during the total lesson time.
- Prior to a performance, lessons may be grouped with other students in order for small ensembles to rehearse together. These will be arranged at the discretion of the Teacher.
Performances/Concerts

The Skill of Performing
- Concerts encourage a student to focus on a goal.
- This experience develops the ability of a student to feel comfortable when performing.
- Highlights the progress of a student from year to year.
- Two performances are arranged each year, as follows:

Piano and Keyboard Concert No 1 – Term 2
Piano and Keyboard Concert No 2 – Term 4
- Solos
- Students organize the concert, learn stage management and announcing of items.
- A notice is sent to students a few weeks before the concert

A.M.E.B. Exams
- Australian Music Examinations Board (A.M.E.B.) is the organization that delivers independent examination services.
- Exams are available for: Piano, Singing, Strings, Brass, Woodwind and Theory.
- The majority of exams are held at the AMEB studios, 259 Auburn Road, Hawthorn.
- Should we have a considerable number of students sitting for the same instrument, we may request an examiner come to the School.

Instrumental Exams
- Exams are available for all stringed instruments.
- An applicant must be approved by the Instrumental Teacher.
- It is a requirement of all students preparing for an exam to enrol in the Exam Class.
- Students are required to have established a regular practice routine, independent learning skills and the listed technical standard before preparing for an exam.
- It is important a student be in command of the material presented at exams to make the most of the experience.

Exam Class – compulsory for exam students
- A unique opportunity for participants to improve motivation and receive positive peer support whilst preparing for individual exams.
- Designed to cover aural tests, general knowledge, and sight-reading elements for an A.M.E.B. exam.
- Performance practice is conducted parallel with preparation taught by the Instrumental Teacher.
- Exam Class is offered to students after approval from the Instrumental Teacher.
Theory Class – optional for exam students
- A group class designed to prepare students for A.M.E.B. Music Craft or Theory of Music Exams (Theory Exams).
- A pass in Theory Exams is a prerequisite for higher level instrumental exams. However, an earlier start is favoured at most schools.
- Knowledge of Theory supports a student’s understanding of notation, including intervals, rhythm, pitch and musical language for their instrument.

Information for Exam Class and Theory Class
- Classes commence the week beginning 11th February and end 15th November.
- Classes may be streamed into levels and run before and/or after School.
- The minimum number of students a class needs to run is 6.
- Please mark all possible available times on the enrolment form found in the Exam Class Handbook or Theory Class Handbook.
- Make-up classes will not be provided.
- Written consent from a parent needs to be received to change to a different class time.
