

Keep On

Oh oh oh, Oh oh oh, Oh oh oh.

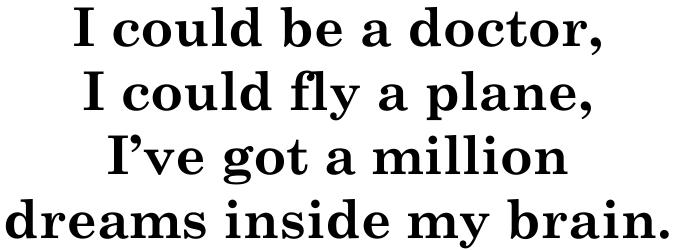

I could be a rock star, soaring super high, aiming for the sky.

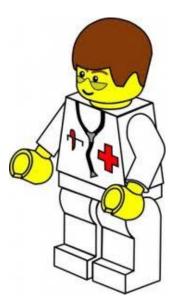

I could be a farmer, I could do ballet, I could paint the colours of every day.

It starts right now, it starts right... Here's a chance to show the world

Whatever you wanna see, you can see.

You can be anything you want to be.

Oh oh oh, oh oh oh oh.

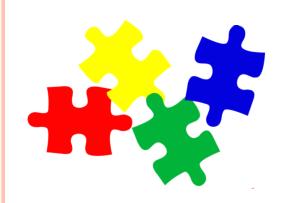

Keep on, keep on

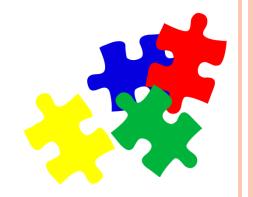

Oh oh oh, oh oh oh oh oh.

I can see the future, a story that is mine I'm writing every line.

So when we come together, standing side by side pieces of the puzzle in this crazy thing called life.

It starts right now, it starts right...
Here's a chance to change the world

Whatever you wanna see, you can see.

You can be anything you want to be.

Build a bridge Fly a plane Make somebody smile again!

Build a bridge Fly a plane Make somebody smile again!

Play guitar
Be a star
Sing it with me now.

Whatever you wanna see, you can see.

You can be anything you want to be.

Whatever you wanna see, you can see.

You can be anything you want to be.

Oh oh oh, oh oh oh oh.

Keep on, keep on

Oh oh oh, oh oh oh oh.

Keep on, keep on
