Thank You to the Essex Heights Community

I returned to school yesterday after an absence over recent weeks. My wife, Heather had some unexpected surgery and I was needed at home to assist during her recuperation. I have appreciated the many messages of support from staff over this time, and the warm ‘welcome back’ extended by the children and parents. Although, I was confronted by one Prep boy who asked (with a very serious face) “Why haven’t you been at Assembly Mr Crossett!” ☺ It is nice to be missed!

Inaugural – Essex Heights Mother’s Day Breakfast

I am so pleased that I was able to be here for the inaugural Mother’s Day Breakfast this morning. It was great to see nearly four hundred Mums and children come to school for breakfast to celebrate Mother’s Day.

There was a great atmosphere in the Hall and the Mums and kids enjoyed the fact that the Dads were organising and serving them for a change.

Over the past few ‘Father’s Day Breakfasts’ the Mums have challenged the Dads to step up and return the favour. This year Darren Mattingley (School Councillor) accepted the challenge to co-ordinate the morning. He was joined by a number of other Dads who formed a Committee that organised the Breakfast. Thanks also to PFA President Betty Ciorciari who acted as a Consultant for the Dads and advised them about how it should be organised. “Behind every good man” .... etc ☺

Please take time to check out the lovely family photos playing at the office.

Thanks also to our wonderful PFA who have planned and organised the ‘Mother’s Day Stall’ for tomorrow. The children love being able to shop for their Mums and take great care over their gift selections. Thanks especially to Steph Wendler-Canning and Andrea Fyfe who have coordinated this event.

**We wish all the Mums a very Happy Mother’s Day on Sunday!**

**Working Bee**
What a wonderful turnout for our ‘Working Bee’ last Sunday. Thanks to Darren Mattingley (School Council Grounds Convener) for organising the day in conjunction with Assistant Principal Ina Kuehlich. A big thank you to all the families who supported us by turning up and carrying out the various tasks.

Darren’s report is included below;

**Despite the weather on Sunday the turn out for the working bee was tremendous. There were 20+ families with between 60 - 80 people in attendance throughout the day. Throughout the intermittent rain showers we achieved the following:**
- mulching of many of the gardens
- all three of the playground areas mulch moved from the edges to equipment areas
- veggie garden weeded
- gutters on the hall front entrance cleaned
- drain catchments (grates) cleaned
- 4 x Prep Chalk boards

  The sausage sizzle was a handy reprieve for the showers and a chance to warm up, the kids informed parents that it was not too cold for icy poles.

**Student Surveys**
Over this week we have conducted a survey to find out what the Yr 5 & 6 children think of our school. The ‘Attitudes to School Survey’ is an annual student questionnaire for Year 5 to Year 12 students offered by DEECD (the Department of Education and Early Childhood Development) to assist schools in gaining an understanding of students’ perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child’s schooling experience. The results also help us to judge the effectiveness of the programs and initiatives that we have implemented to build ‘student voice’ and ‘connectedness’, as part of the ‘Strategic Plan 2011-2014’.

**Pupil Free Days**
Please note that School Council has approved the following dates for our final two Pupil Free Days allocated by DEECD. They are **Friday, June 6th** as a Reporting and Assessment Day and **Monday, August 11th** as a Strategic Planning Day.

See you around the school,
Andrew Crossett

FROM THE HEALTH CENTRE

Please see the attached flyer for the launch of Food Allergy Awareness Week 12-18th May. I will be going along and if any parents/guardians are interested, it is open to everyone.

This is a good chance to remind everyone that Essex Heights PS has a large number of children with Anaphylaxis and food allergies.

Please discourage your children from sharing food and when shared treats are brought in for a special occasion, please provide the teacher with a list of the ingredients. We would also encourage that due to the large number of Nut allergies, that nuts are something that are eaten at home and not brought to school in any form.

Thank you for your co-operation in this, any questions? please call me

The Book Fair 2014 is coming soon.

When: 19th May – 23rd May

Where: School Library

Times: 8.30 a.m. – 9.00 a.m.
       3.00 p.m. – 4.15 p.m.
This year’s event will be held on the afternoon of Wednesday 14th May in the school grounds and council oval.

All children should have brought home a Fun Run Sponsorship form. Additional forms are available from the office or the school website.

**Prep – Grade 3** students may collect sponsorship on a “per-lap” basis or as a flat donation. All these children will be wearing a wrist band as they run around the oval. Each time they complete a lap, their wrist band is marked. This wrist band will be sent home after the Fun Run so their sponsors know how many laps have been run and how much money is owed! If you have any queries about this, please ask Mr Wooster or your child’s teacher.

**Grades 4 – 6** students will run a fixed distance (2km for 9 and 10 year olds, 3km for 11 and overs) as this event doubles as a selection event for the interschool Cross Country team.

We are hoping to raise $8000 to spend on the construction and installation of a series of fitness stations for students to use during Physical Education and play times. So please help your children and our school by generous donations.

The top five individual fundraisers will receive a remote control helicopter. There will also be rewards for the class raising the most money and for the class with the greatest number of children participating in the fundraising aspect.

We are also planning a small reward for all children who raise over $30, and also rewards for all children who raise over $100.

Thank you to all parents who have offered to help with the event. You will be contacted by the PFA. If you haven’t heard from them, or would like to volunteer, please send an email to ehpspfa@gmail.com. Even if you can’t commit to helping, we’d love you to drop in and give the children a cheer. The event will run from 2:30 - 3:30 pm.

Thank you,

Ben Wooster and the Parents and Friends Association Committee

Dear Parents

Term 2 is off to a great start with lots happening already! Please see below for an update on what’s happening in Indonesian including this week’s interesting fact and challenge question. The first student to come to me with the answer will receive a small prize!

**Sayembara Lisan – Indonesian Language Competition**
We wish our 6 students from Years 5 & 6 - Roan, Faith, Camilia, Tim, Tej and Nicki all the very best for the statewide oral language competition this Friday May 9th. They have been very committed to preparing for the competition and their participation is an exceptional effort considering they have only been learning Indonesian for just over a term! We look forward to hearing all about their experience.

**Indonesian Classes for Parents!**
Congratulations to the seven parents who attended the parent class on Monday. The classes will be for the next 3 Monday mornings beginning at 9am. We commend them on their fantastic efforts during their first lesson this week. They will be fluent speakers in no time!

**Class Vocabulary**
The Prep-2 classes have been learning how to say family members in Indonesian and Years 3-5 have been learning how to talk about hobbies and personal preferences. The Year 6s have been studying some Indonesian poetry and are just about to launch into designing their own spectacular kites (kite flying is a popular Indonesian hobby). We look forward to displaying their designs!

**Interesting Fact #1**
Indonesia is the largest archipelago (group of islands) in the world! Indonesia stretches 8000km from the Indonesian Ocean to the Pacific Ocean with approximately 18,000 islands in between. There are 8 major islands: Sumatra, Java, Kalimantan, Sulawesi and Irian Jaya (the western half of Papua New Guinea).

**Challenge question: What is the capital of Indonesia and on which Island is it found?**

*Salam hangat* (warm regards)

*Alex (Bu) Douros*
Hope you are all on track working hard on your projects. I am happy to meet with anyone for some further information or assistance.
